

Certified Peer Recover Specialist

Hope House is seeking a board certified Peer Recovery Specialist to join our growing counseling support team. This person will be operating on the front lines of drug addiction rehabilitation support. With immediate openings in both Laurel and Crownsville, the Peer Recovery Specialist will responsible for assisting counselors and staff in peer recovery activities. Some duties include facilitating groups, holding interventions, engaging disconnected clients while supporting Hope House's core value, unconditional kindness. The Peer Recovery Specialist will be working in each of the four domains: Advocacy, Ethical Responsibility, Mentoring, and Recovery.

The Peer Recovery Specialist duties may also include:

- Engage disconnected patients
- Lead and motivate attendance for group meetings
- Identify areas of improvement in the counseling program to retain patients
- Conduct interventions and meetings with clients on a one-on-one basis
- Identify areas of support and inclusion for patients

Hope House is looking for professionally minded individuals that will uphold our corporate values including unconditional kindness and professionalism. We have been in business for over thirty years experiencing continual growth and name recognition in the field of drug and addiction rehabilitation.

For immediate consider please forward a resume and cover letter with your salary requirements to HR@hopehousemd.org. Or please the Human Resources Department at 410-923-6700
